You Can Do It! @ KPS

Persistence RESILIENCE ORGANISATION CONFIDENCE GETTING ALONG

Kambalda Primary School aims to provide a safe, warm and friendly learning environment that supports each child to develop the essential academic, creative, social and physical skills necessary to become a worthwhile member of a rapidly changing society.

We want our students to be socially competent, resilient and caring of others.

AWARDS:

AUSSIE OF THE MONTH

Harlow Tamoe

Harlow displayed outstanding use of the **GETTING ALONG** Key to Success at the athletics carnival with his nurturing approach to younger students; reading to Kindy students, playing quiet games with them and requiring little or no teacher direction. This was noted by a number of staff and is a reflection of the **ORGANISATION**, considerable **RESILIENCE**, and increasing **CONFIDENCE** that he displays on a daily basis in the class and in the playground. You are an asset to Kambalda Primary School, Harlow; well done!

Certificates of Merit

- 🏆 From Miss Parkinson: **Kalani & Lilone** (EC1)
- 🏆 From Mrs Harris: **Gabe, Will & Roman** (Room 5)
- 🏆 From Miss Beeson: **Lucinda & Chant** (Room 3)
- 🏆 From Mrs Rumsey: **Charlize & Kayden** (Room 1)
- 🏆 From Miss Garratt: **Amarni & Jimmy** (EC2)
- 🏆 From Mrs Ros: **Kaleeyah, Lyndsey & Kaia** (Room 7)

FROM THE PRINCIPAL'S PEN

Welcome back to Term 4, that will be another busy term with lots of teaching and learning for both staff and students. The Term Planner is going home Friday with all students so I encourage you to put it somewhere that you can refer to it regularly throughout the term to keep ahead of what is happening at Kambalda Primary School for your child/ren.

The weather will start to get hotter over the coming weeks so please continue adhering to the Kambalda Primary School Dress Code ensuring that your child/ren wear closed in shoes that are comfortable and appropriate to play in. Classes participate in sporting sessions throughout the week and Jump Jam or running each Monday to Thursday morning so it is important that shoes are appropriate. Also a reminder to continue sending your child/ren to school in their school uniform and/or the school coloured shirt and bottoms.

'School uniform and a School Dress Code is designed to ensure that students are safe, provide equity among peers, build and maintain the school team spirit and encourage the neat presentation to foster an empowered, positive self-image'.

Tuesday mornings from 8:30am-10:30am in Week 2 through to Week 7, the Pre Kindy program will be running in the Kindy room with Mrs Ros and Miss Free. This is a program designed to prepare children and parents for Kindergarten, through in-school activities and experiences. It is not too late to enrol for Kindergarten 2023 if you haven't already and participate in the Pre Kindy program; if you know of anyone in the community that has a child that is eligible for Kindergarten in 2023 (born between July 2018 and June 2019) please share this information with them.

Each year, Western Australians use more than 1.3 billion drink containers. Sadly, many are not recycled, ending up in landfill and as litter across our state. Containers for Change, Western Australia's container deposit scheme, will help increase recycling rates and reduce litter. Kambalda Primary School is registered for Containers for Change and we are encouraging all members of our school community and the wider community to donate their containers to either our donation point located near the staff carpark at the school or by nominating our code when dropping off donations to the Containers for Change Refund Point in Kambalda so that the school receives the donation. **Our Scheme Code is C10323898.**

If you are **not** returning to Kambalda Primary School in 2023, please let us know so we can plan accurately for next year. ***Students currently enrolled in Kindergarten need to complete a new enrolment for Pre Primary as per the Department and school's guidelines;*** this paperwork will be sent home in the coming weeks and needs to be returned to the school office at your earliest convenience.

I look forward to working with everybody throughout the term and again appreciate all the support given by families and the wider community to not only myself but to the staff and students of Kambalda Primary School.

Toni Colling

PRIORITY

HOT! HOT! HOT!

STAYING HEALTHY AND SAFE IN THE WARMER WEATHER

Staying hydrated, being sun smart and having good personal hygiene are important all year round, no matter the weather. When the temperature starts to rise and things are heating up, it is even more important to ensure that we are managing these things daily to keep us safe and healthy at home and at school.

Remember to pack a hat, crunch and sip and water bottle for school each day.

No Hat No Play

Drink plenty of **water**
& **EAT A RAINBOW**
to stay hydrated

Kindy Enrolments now open for 2023!

Is your child excited to start their first day of school?

Kambalda Primary School is now taking Kindy Enrolments for 2023. If you know of anyone with a child born between 1 July 2018 and 30 June 2019 could you please let them know that enrolments are now being taken to assist with 2023 school planning.

When you apply to enrol please bring:

- Birth Certificate
- 'up to date' AIR immunisation history statement

To find a public school in your area visit

Department of Education
Shaping the future

VacSwim enrolments now open

Help keep your child safe in the water.
Enrol now for the summer 2023 school holidays.
education.wa.edu.au/vacswim

Thank you

Thank you to all those parents who use the designated crosswalk to cross the road in the mornings and afternoons; it is tempting to take the shortest route and go straight across, particularly when you don't have your child with you, however, it is important that we follow the road rules; the crosswalk is put in place by the police and we need to ensure we are using it and setting a good example to our students.

A request from **BUSWEST**...

...please keep the east side of Basalt Street (directly adjacent to the front of the school) free of parked cars on Wednesday afternoons; the bus needs space to turn in and park at the school gate.

OUR MORAL PURPOSE

We have a commitment to making a positive difference in the lives and outcomes of our students as a result of their experiences at Kambalda Primary School.
