SCHOOL EVENTS:

HARMONY DAY 2025

Each year, we celebrate the cultural diversity of Australia and our school on Harmony Day. Together with our community, we shared and celebrated our cultures through dance and food. This was a wonderful event made possible by the time and effort of our staff, students and families.

SCHOOL EVENTS:

ANZAC DAY

On Friday 11th April, Kambalda Primary School commemorated ANZAC Day.

Our ANZAC Service took place on the front lawn, beginning with the flag at half-mast to signify our remembrance of the Australian and New Zealand Army Corps (ANZAC).

Each class created a wreath using poppies to place at the base of the flagpole and selected volunteers to lay the wreath.

Over the school break, some of our school councilors attended the local dawn service, representing our school and laying a wreath.

FROM THE PRINCIPAL'S PEN:

We are pleased to announce that our Annual School Report has now been uploaded to Schools Online and is available on our website for the public to view. In accordance with the School Improvement and Accountability policy, the report is published each year to provide a transparent and comprehensive overview of our school's performance. It has been thoughtfully prepared to be concise and accessible, aiming to give parents and community members a clear understanding of how our students are progressing academically, socially, and emotionally. The report also highlights the various strategies and initiatives we are implementing to support and maximise student achievement. We invite all families and community members to visit our website or log into Schools Online to view the report. Your feedback and engagement are always appreciated as we continue to strive for excellence together.

On another note, we are delighted to welcome back Miss Beeson from her maternity leave. We are also proud to support Miss Elsby and Miss Hodges as they undertake their teaching practicums this term, gaining valuable experience and contributing to our vibrant school community.

Recently, our staff participated in a dedicated development day focused on Team Teach and de-escalation strategies. These professional learning activities are aimed at strengthening our ability to create a positive, safe, and supportive environment for all students and staff.

Looking ahead, we have a busy and exciting term planned. Please remember that school photos are scheduled for next week. We look forward to capturing wonderful moments and memories of our students.

Here is wishing all mother's a Happy Mother's Day for next Sunday. The P&C have once again organised a stall, which will be held on Friday 9 May in the library.

Thank you for your ongoing support and partnership in making our school a nurturing and inspiring place for learning and growth

Megan Irving
Principal
